

All Angels WI News 2014

December ~ We had a lovely evening on Monday making Christmas wreaths with an abundance of foliage and plenty of embellishments to share amongst our members. With festive tunes in the background and mulled wine to jolly us along, our creativity flowed. We welcomed a few new faces, and everybody helped clear up a rather mossy village hall. Merry Christmas to you all. See you in the New Year!

November ~ Mamma Mia! At November's meeting we had a highly entertaining night thanks to [Jo Sercombe](#), Vocalist and Musical Director, for a fantastically fun ABBA singing evening.

We also enjoyed some festive mulled wine and many delicious savoury and sweet dishes courtesy of all our members.

October ~ Our October meeting featured a chocolate demonstration and tasting, using Belgium chocolate from Somerset chocolatier Deanna, of Cocobella. Deanna

shared with us her passion for chocolate making and her excitement on receiving a letter from Buckingham Palace when her chocolate corgis delight the Queen. We were able to purchase some of her chocolate afterwards with exciting flavours such as chili and lime, and apple crumble.

~ We joined KSM WI for their annual bulb planting event on the morning of 18th October. The bulbs have been planted along the verge near The Ridings; well done everyone.

September ~ Spanish Wine Tasting & Tapas. A fun and very tasty Spanish wine and tapas evening was held on Monday 15th September - many thanks to our guest speaker and wine educator Carol Whitehead.

Carol Whitehead Sampling a Spanish red

July ~ A talk from Rick Squires about KSM's village shop was followed by two members from KSM WI giving us hints and tips ready for the Flower & Produce Show on August 2nd; plus our very own Liz McCarron demonstrated how to bake the perfect scone!

June ~ Monday 16th June was another hands-on session - this time learning sugarcraft with Andrews Bradfield. Everyone enjoyed making their own sugar fondant rose and it has inspired some of us to go away and develop our skills.

May ~ At May 19th's meeting we enjoyed a hands-on massage session with Maggie Croft. We learnt lots of useful tips on hand massage and everyone went home very relaxed.

~ We combined forces with KSM WI for a litter pick-up around the village on May 12th.

The litter pickers, 12th May 2014

March ~ The quiz night in Kington St Michael Club was well attended, with nine teams taking part. The winners were Baker's Half Dozen with 93 points, second were Black Sheep with 83 points and third, with 80 points, were New Bees. The winner of the wooden spoon was Autumn Club.

January ~ January's meeting included a cooking demonstration with Claire from The Pampered Chef and offered our members a chance to sample and share some of our own family favourites and swap recipes.
