October: A most enjoyable evening of wine tasting with our guests from Majestic Wine. From Pinot Grigio to Chardonnay and from Malbec to Argentinian pink fizz, there was something for everyone!

May: Malcolm Jago, our lovely local bee keeper, had us all buzzing when he gave us a very informative talk sharing his considerable insight and delight in keeping bees.

March: An amazing £1,437.43 was raised at the progressive supper, which will be divided between All Angels and KSM WIs. A big "thank you" to everyone who supported this event.
