May: What a great morning we had at the jumble sale on May 21st! After hall hire costs were taken in to account we raised an amazing £261.25! Huge thanks to everyone who helped us achieve this.

~ A brilliant night, pottery painting with Jane from Glazed in Chippenham! Some beautiful pieces created - can't wait to see them when they are out the kiln.

March: Another great evening on the night of March 21st! We had our all important AGM where we welcomed two new committee members - Nicky Levers and Jenny Sawyer, and our President, Liz, is back for another year (pictured below!). We also had a very informative talk from Inspire's Debbie Neale on how they can offer free help in setting up a new business in Wiltshire, and our own Katherine talked about how the Citizens Advice Bureau can help us all. Then some of our business ladies talked about what they do....Tamara Eggleston from Barking Hen Jewellery, Alison Harvey from Listening Tree Marketing, Maggi Croft from Reiki Master Reflexology and Liz Mac about Tapping Teddies and her future business plans! Phew! Something for everyone!

February: A lovely relaxing evening of felting last night, with some gorgeous results! Thank you to our very own Liz for teaching us this very social and therapeutic craft.
