

Queen Elizabeth II is only the second Monarch in British history to celebrate 60 years on the throne.

We are proud to celebrate this historic occasion in Kington St Michael and would like to thank **EVERYONE** who has generously supported this event with time, money and much enthusiasm.

This could not have been done without the help and support of so many people - it is a testament to the remarkable community spirit that prevails here in Kington St Michael.

Long may it continue.
