

Local area coordination in Chippenham

Local area coordination can help you to:

- access information, advice and support
- build your own local network
- find practical ways to resolve problems
- be part of your local community
- identify your personal strengths, needs and goals

We work alongside people of all ages, including disabled people and people with mental health conditions.

If you feel you would like to reconnect with your community or need some help or support, then you can invite us to work alongside you.

Hello, my name is Emma

I'm your local area coordinator

My support is free and without judgement – there are no assessments, referral processes or time limits – and I can meet you in local community settings or where you live, work or learn.

Would you like to know more?

Contact Emma on
07391410278 or
emma.morrice@wiltshire.gov.uk

By inviting me to work alongside you, I will:

- Take time to get to know you to build a trusting relationship
- Help you access relevant information, advice and support
- Enable you and your family to build and achieve your vision of a good life
- Help you identify and develop your strengths, talents, abilities and skills
- Assist you in developing, building and using your personal networks
- Help you stay strong and be heard so you can stay in control of your life
- Support you to become more connected, resilient and active in your community
