Wanted - Shop Supervisor

Come and join our vibrant KSM shop community as our new Shop Supervisor.

The role is diverse and engaging, with flexible working hours to support the shop's function, volunteer support and committee commitments.

The role has an honorarium of £250 per month in keeping with the type of organisation our little community shop is.

The Shop Supervisor will have the full support of the committee. We welcome anyone interested; for further details or any questions regarding this role, please contact Linda Durno on (01249) 750514 or email ksmvillageshop@yahoo.co.uk.
