

Can you be a Good Neighbour?

We need more volunteers...

...who may take on regular tasks such as a weekly shopping trip; or just be available to be called on occasionally to take someone for a doctor's or hospital appointment.

We need volunteers to help:

- ***As a co-ordinator***
Help with the day to day co-ordination of matching volunteers to help our clients
- ***As a management committee member***
Could you help with secretarial or treasurer duties? Do you have experience working on a committee or have marketing skills that you can bring?

All we ask for is as much or as little of your time as you feel you can give. We pay out of pocket expenses and a mileage allowance to cover drivers costs.

Serving the Communities of:

What is Village Link?

Founded by a group of volunteers who realised that there is a need to help the community by offering a “good neighbour” service.

Who can use this service?

Anyone who needs help, maybe a prescription collected, a pet to be taken to the vet, transport to hospital...there is **NO** age limit, up or down.

How does the service work?

We are glad to receive enquiries from people personally, or through their doctors, nurses or Community Services or by way of a neighbour or friend.

About our finances

We are a registered charity and receive grants from Wiltshire Council and many of the parish councils. We also receive donations from funds raised at local events and private donations. Although we make no charge, we are grateful for your donations towards the cost. Our drivers can claim a mileage allowance to cover the cost of fuel.

**To contact us simply call:
07590 720836**

You can telephone us at all times to arrange for transport help or to talk over any other help you may need. It is possible that you may get an answer phone, please leave a message and somebody will call you back.

Please give us a least 48 hours notice prior to your appointment time to enable us to meet your request.
